

Tangent International supports a number of worthy causes throughout the year. One of the main local charities is Little Havens which has featured in a number of our posts during 2014. Fund raising initiatives and donations around Essex help significantly towards the annual running expenses of over £6m at Little Havens..

- One of the initiatives organised by Little Havens in December was a very topical Santa Run with Tangent's Darren Lewis, his niece and friends getting in to the festive spirit.
- Christmas-themed fund raising in Head Office during December raised over £500 for Little Havens from initiatives that included:-
 - Two raffles
 - Christmas Jumper competition
 - Cash in lieu of cards
